Skills

Hard working, active listening, problem-solving, attention to detail, team oriented and communication are a few of the skills that I have acquired over the years from working.

Experience

Target / Team Member

-

June 2019 - March 2020. 3100 Fairlane Dr Allen Park, Michigan 48101

While working at Target, I checked guests out and took orders out to their vehicles. Which required me to greet customers, problem solve, and lead others when I needed to take charge.

Hughes Bro's Construction / Worker

-

June 2021 - December 2021. Detroit, Michigan.

At the Hughes Bro's Construction company is where I worked the hardest since it was manual labor. It helped with my attention to detail because every job site had to be perfect in order for the job to be complete.

Home Depot/ Order Fulfillment

-

May 2022 - September 2022

Working for Home Depot, I picked orders on the floor and staged them at the service desk for pickup. I helped customers find items on the floor also.

Amazon

-

October 2022 - January 2023

At Amazon, my job was to pick packages and stow them in their designated bins.

MSU RHS Facilities

-

February 2023 - Present

My duties consist of cleaning buildings from top to bottom, taking out trash, sweeping and mopping floors, and other cleaning duties.

Education

Cass Technical High School / High School Degree

September 2016 - June 2020, 2501 Second Ave Detroit, Michigan 48201

Michigan State University / Bachelor's Degree

(Expected Graduation: 2024)

Major: Information Science

September 2020 - Present Day, 426 Auditorium Rd East Lansing, Michigan 48824

Main goal is to use Resume as template for how the HTML should look, once that's done your own twist can be added in the coding. Wireframe is how the end product should turn out in the end, if not similar.
